

**Glorious news for the Ladies.**—Three-fourths of the inhabitants of Cassville, Wisconsin Territory, are males; the other fourth are married. Some merchants there offer to pay the freight of a cargo of girls, and will insure them before starting, a handsome long but each, and as much hominy and bear's meat as they can eat. All they will have to do is, to hoe corn, dig potatoes, and do the house work in general.

**Hunting the Presidency.**—The partnership hunt for the Presidency is now fairly afoot; Harrison, Webster, and White are all in the field. Harrison it is now quite settled is the lion—Webster and White, the jacks. It is certainly a noble employment for the two Senators to beat the thickets in their particular sections, to make presidential offerings of all they can get to the clerk of the county court of Hamilton—while he comes on to make arrangements at head quarters. *Globe.*

THE Subscriber offers for sale all his Lands lying in Mississippi, containing 3,170 acres.

These Lands were purchased at the first sale of Choctaw Lands held at Columbus, Mississippi; by men whose judgement of Cotton Lands can never be doubted. They lie in the counties of Kemper and Oktibbeha, and are situated twenty-four miles west of Columbus, in a healthy, pleasant, and well watered part of the country and sufficiently convenient to navigation; but believing that all remarks are unnecessary, as it is unreasonable to suppose that persons removing to the West would purchase without looking and judging for themselves. **Farmer's View**  
**FOR SALE.**

THE Subscriber is anxious to move to the West, and offers for sale his Tract of Land whereon he now resides, lying on Deep River, in Chatham County, twelve miles above Haywood, one and a half below Evans' Bridge, and a half below the Gull, and twelve south of Pittsborough; containing Twelve Hundred and Sixty-eight acres; more than one half lays in the Bend of the River, Six Hundred acres of which are cleared, and may be a great deal of very good Land to clear, a good site for a Cotton Factory, and a Merchant Mill on the River. One half of this site is owned by Peter Evans, esq. This Tract is less subject to be injured by high water than any tract on the River. It is very level for this section of country, and very productive for Corn, Wheat, Cotton, &c. &c. It is sufficient to say Twenty-five or Thirty hands can be worked to very great advantage, and the farm made richer every year. The plantation is in good repair, well watered, the situation high and healthy; on it is a large Frame Dwelling House, four rooms below and three above, with six fire places, and a large framed Barn, fifty-two feet by twenty-four; in it is a large Wheat Thrasher and a Cotton Gin, a Cotton Screw, and necessary out-houses. For the information of persons in the lower part of the State, I refer them to Peter Evans, esq. of Edgecombe; he owns the land immediately above and on the opposite side of the River. I offer to sell part or all, as suits the purchaser. I advise those who wish to get a bargain and a good Farm to apply and shortly. The subscriber can be found on the plantation at any time.

#### D. PRATTS,

**Artificial Nipple Shield.**  
FOR the prevention and cure of Sore Nipples. The following highly respectable certificates are deemed a sufficient recommendation for those who are afflicted in this manner, to try them.

From Doctor Wm. F. Dewees, late Professor of Obstetrics, in the Medical University of Philadelphia.  
Doct. ELIJAH PRATT:

Sir: As I feel it a matter of much public importance, to possess a means of lessening the terrible sufferings from sore Nipples, I have much pleasure in being able to say, that the "Shield" you offer for the preventing and the cure of this malady, is better adapted to the purpose than any I have heretofore seen. In the two or three instances I have known them to be used, much satisfaction has been expressed; and I have no hesitation to believe it will generally succeed: I am so well persuaded of this, at this moment, that I cannot forbear to express a wish that our city, through the various Apothecaries, may be supplied with them. I am yours, &c.  
M. P. DEWEES, M. D.  
Philadelphia, Jan. 13, 1834.

From Dr. Thomas Seawall, Professor of Anatomy and Physiology, Columbia College, District of Columbia:  
WASHINGTON CITY, 4TH FEB., 1834.

Having examined Dr. Pratt's newly invented Nipple Shields, and witnessed its practical application, among my patients, I take great pleasure in recommending it as decidedly superior to anything previously known. It constitutes a perfect remedy for that distressing malady, Sore Nipples; a disease which so frequently afflicts young women.

THOMAS SEAWALL, M. D.  
The above instrument is for sale, at the moderate price of \$2 50 cents,—by  
WILLIAMS, HAYWOOD & Co.  
Raleigh, Feb. 1836.
